

PERU MISSIONS UPDATE!

April-May, 2015

A QUICK REVIEW...

The church held a volleyball tournament May 2.

We had an encouraging message along with great food for a Mother's Day service.

I have been helping the Gideon's pass out Bibles.

Jhilda and I took a trip to Lima to encourage our friends in their work in another Calvary Chapel.

On top of that I have stayed busy studying for youth group and translating.

OUR VOLLEYBALL TOURNAMENT!

The purpose of our volleyball tournament May 2 was to reach out to the community and share the Gospel. We worked alongside the students from the Bible College, here in Cajamarca, and did just that. Praise the Lord, because we had a great turn out and a lot of fun. When we asked the people what they would like as a 1st place prize, they told us a lamb. So that is what we gave to the winning team.

Mother's Day Dinner and Study

On Friday, the 8th of May, we did something special for the ladies. Lots of food was cooked, and the servants were ready. We invited a good missionary friend named Charlene to come speak. She gave a very encouraging message and the women left refreshed. It was a service for all women, and many brought friends.

“Your eyes saw my substance, being yet unformed. And in your book they were all written, the days fashioned for me, when as yet there were none of them.” – Psalm 139:16

WORKING WITH THE GIDEON'S

A missionary friend of mine hooked me up with the Gideons International, and they were on a mission to pass out 4 million Bibles to all of Peru. I had a great time being a small part of that big ordeal. We also passed out Bibles by the hundreds to children leaving school. It was a blessed time.

A VISIT TO LIMA...

During a quick trip to Lima, Jhilda, her brother Wilson, and myself stopped by the church of a very good friend. The pastor asked Wilson to teach the morning service. It was an encouragement on both ends.

THANK YOU FOR YOUR PRAYERS

Jhilda and I have had a blast heading up the youth group. God has been faithful to us while we've been doing this work. Please, please pray for the youth here in Cajamarca. Please pray for the people here as well, we really want to see this church grow, and people get saved. Thank you, and God bless!
